Parking Lot and Tailgating Policies

TCU reserves the right to suspend or revoke your parking privileges for non-compliance of policies and regulations of vehicle parking, RVs, trailers, and tailgating equipment. In the event of revocation, no refunds will be provided.

These lots will open five (5) hours prior to kickoff. TCU reserves the right to change these times based on University obligations and requirements. For games that start at or before 2:30 p.m., these lots must be cleared three (3) hours after the game. For games that start after 2:30 p.m., these lots must be cleared 90 minutes after the game, or by 11 p.m. (whichever comes first, due to city ordinance).

The TCU Frog Club policy on donor parking is **One Pass = One Space, One Vehicle per space. Each pass entitles the bearer to the space within the confines of the marked parking space only. All vehicles must be in compliance with dimensions of a standard parking space. The standard parking space is 9 ft. x 18 ft. Any vehicle larger than these dimensions is considered an oversized vehicle and will be required to park in the RV lot provided. No tailgating areas are included or promised with any specific parking space.**

- Trailers, tow-behind units, 5th-wheel trailers or any type of unit hitched to a vehicle **IS CONSIDERED AN ADDITIONAL VEHICLE and requires a Frog Club donor parking pass.** One pass for their vehicle AND one pass for their trailer at the corresponding gift level for that lot if space available. For example, a Jim Swink Lot donor who wants to bring a trailer into the Jim Swink Lot will need to purchase two (2) Jim Swink Lot passes at \$2000 each + applicable fees (total gift required in this case is \$4000). **The additional towed unit must be in compliance with dimensions of a standard parking space. The standard parking space is 9 ft. x 18 ft. Any additional towed unit larger than these dimensions is considered an oversized vehicle and will be required to park in the RV lot provided.**
- Golf carts are only allowed if street legal with state license permit and must display parking pass for space. Use of motorized recreational vehicles, including four-wheelers, golf carts, mules, gators, scooters, motorized skateboards, etc. are prohibited unless pre-approved by TCU Athletics.
- **Texas Christian University does not allow the permit holder any right to display advertising, banners, signs, or commercially logoed vehicles or the distribution of promotional items anywhere on the grounds or parking areas of Texas Christian University.** Donor parking spaces are intended for the private use of the donor and guests. Banners and signage recognizing businesses may not be displayed unless approved through the TCU Athletic Marketing office or TCU's IMG office. All companies

- RV parkers are allowed to move into the RV lot on the Friday evening before a Saturday home game at 6:00 p.m. and must exit the lot by 10:00 a.m. the following Sunday morning.
